Meet Lauralee

My name is Lauralee Bass and here is a little bit about me and my family. I married my husband in October of 2000. We moved to New Braunfels (back here for him) in April of 2003. We adopted our daughter Holly on July 11, 2008 after having fostered her just one month shy of a year. I work full time plus as a veterinary technician at a busy practice in San Antonio. I have been a vet tech for almost 30 years. My family is busy!! Between both of us

working crazy busy jobs and all the activities my daughter is in we pretty much run at full speed non stop. Holly is a freshman at Davenport High School. She shows pigs through 4-H, is in Choir and Color Guard at school and sings the National Anthem all over the country at various shows, rodeos and sporting events. She is active here at Oakwood with the high school group on Sundays and Wednesdays and volunteers as a buddy with the Mark 9 Ministry . I love the Lord Jesus with all my heart and hope to share my love and compassion with others in this small group. I want others to experience or learn to experience the great, great, goodness of our God! It is my desire that we grow in Christ together and live this thing called life together as we lean into the sweetness of Jesus as the Holy Spirit guides us and moves us towards the life that we have been called to.

See floorplan on backside for directions to group classroom.
