Meet the Remeys

Bob and Lisa met in Arlington Texas in 1992 and have been married over 27 years, spending most of that time traveling around the US and the world while Bob was serving in the Air Force. After 23 years of service and a number of deployments, they retired and moved to the New Braunfels area and began attending Oakwood in 2016.

Bob has continued to support the Air Force and is working in the civil service at Randolph Air Force Base and Lisa's dream to open a children's counseling practice, focusing on play therapy, has finally come to fruition. Bob and Lisa have 2 children: Robert "Robby" (22) who is finishing his final year at A&M and Grace (18) started her first year at TAMU Corpus Christi. The Remeys have been Oakwood members for six years and have led small groups and have volunteered at various churches while they moved around with the Air Force.

NOTE: Limited to 20 people due meeting space constraints.
