After graduating, He and Devin moved from Texas to Iowa, then Arizona following her career in agriculture. After the birth of their daughter, Petra (2), they decided to move back to Texas to be near family, and started attending Oakwood in early 2022. Shaylor is a middle school Social Studies teacher in Seguin, and Devin teaches high school Chemistry at New Braunfels Christian Academy. The Tillmans enjoy camping, hiking, good food, and going on family adventures.

**Meet the Shutes**

Sam and Sharon met during their service in the United States Navy while stationed in San Diego, CA. They were married in March 2020, and after completing their military contracts, they separated from the Navy and returned to Sam's hometown of New Braunfels in November 2022. Soon after moving back, they became Oakwood members and quickly began to engage with the culture of Christian fellowship and service. Sharon is currently attending school to become a courtroom stenographer, while Sam is working to build their first home and preparing to attend seminary next fall. They enjoy being active and having adventures outdoors.

Cameron and Melissa met through a church small group in college. They began dating in 2015 and were married in 2018 after graduation. They moved from College Station to San Antonio in 2019, and now live in Schertz. They found Oakwood shortly after moving here, and have been members since 2020. They have a 16-month-old son, Winston, and another son on the way! The Beiseigels enjoy cooking, dancing, and helping their son explore new things.
